NOW THEREFORE the Board, having considered the testimony adduced and the exhibits reviewed in said hearing, and being fully advised in the premises by the parties, now makes and enters the following:

FINDINGS

1. Due and regular notice of the time, place and purpose of the hearing was given to all interested parties as required by law and the Rules and Regulations of the Board, including personal service of a Notice of Hearing upon all parties having an interest in the matter.

2. The Board has jurisdiction over the subject matter of said Petition and over all parties therein and has jurisdiction to make and promulgate the Order hereinafter set forth.

3. The Board, by Order entered in Cause No. 139-8, dated September 20, 1972, established drilling units comprising each governmental section or governmental lots corresponding thereto for the production of oil, gas, and associated hydrocarbons from the interval, described in paragraph 4 (a) thereof, underlying the lands described and referred to in said Cause No. 139-8.

4. Subsequent to the entry of the Order in Cause No. 139-8, wells were drilled in accordance with said Order in the NE/4 of the drilling units comprising Sections 5, 6, and 12. These wells were produced for several years and were subsequently plugged and abandoned.

5. It is not feasible to drill the proposed wells in these sections near the old wells due to the risk of reservoir drainage.

6. While a location near the center of the SW/4 in these sections is preferable, it is not practical due to topographic constraints.

ORDER

IT IS THEREFORE ORDERED:

To prevent waste of oil, gas and associated hydrocarbons, to avoid the drilling of unnecessary wells and to protect correlative rights, the Petition of Linmar Energy Corporation for exceptions to the provisions of the Order of Cause No. 139-8 is granted so as to permit to drilling of a well at each of the following locations:

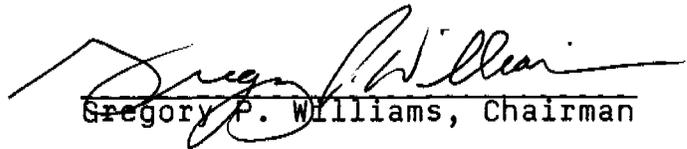

1. Section 5, Township 1 South, Range 3 West, USM, 1,580 feet from west line and 2,000 feet from south line.

2. Section 6, Township 1 South, Range 3 West, USM, 596 feet from east line and 404 feet from south line.

3. Section 12, Township 1 South, Range 4 West, USM, 2,417 feet from west line and 1,104 feet from south line.
