The following members, constituting a quorum, were present and participated in the hearing and the decision and order embodied therein:

Members of the staff of the Division of Oil, Gas and Mining ("Division") present at, and participating in the hearing included:

Dr. Dianne R. Nielson, Director
Ronald J. Firth, Associate Director, Oil and Gas
John R. Baza, Petroleum Engineer

Barbara W. Roberts, Assistant Attorney General for the State of Utah, participated in the hearing on behalf of the Division.

Pursuant to an order of the Board in Docket No. 85-029, Cause No. 186-15, Paragraph No. 36, Petitioner Celsius Energy Company ("Celsius"), filed a petition in this matter for an Order to Show Cause as to why the Board's order in Docket No. 85-029, Cause No. 186-15 should not be approved, said order modified the size of the spaced unit for Ucolo Well No. 2 comprising 200.14 acres in the N1/2 of Section 10, Township 36 South, Range 26 East, SLM, Ucolo Field, San Juan County, Utah. No interested party appeared to object or provided written objections to the granting of the petition.

The Board, having considered the petition and the absence of objections, now makes and enters the following:

FINDINGS OF FACT
AND CONCLUSIONS OF LAW

1. Due and regular notice of the time, place and purpose of the hearing was given by the Division and also given by Petitioner by personal service to all parties required to be so notified in the form and manner and within the time required by law and the rules and regulations of the Board.

2. The Board has jurisdiction over all matters covered by said notice and over all parties interested therein and has the power and authority to make and promulgate the order hereinafter set forth.

3. Petitioner Celsius filed a petition with the Board for an order pooling all interests for Ucolo Well No. 2 in the N1/2 of Section 10, Township 36 South, Range 26 East, SLM, San Juan County, Utah. In the Board's Order issued on June 24, 1985, in Cause No. 186-15, Docket No. 85-029, the Board accepted a stipulation from Celsius, the Bairds and the Bureau of Land Management ("BLM") which was based on substantial evidence in the record. The Board, acting thereon reduced the spacing unit for Ucolo Well No. 2 from 300.14 acres to 200.14 acres.

4. On June 24, 1985, in ordering Paragraph No. 36, Docket No. 85-029, Cause No. 186-15, the Board ordered Petitioner Celsius, in cooperation with the Division, to file a petition for an Order to Show Cause as to why the stipulated spacing unit of 200.14 acres for the Ucolo Well No. 2 is not just and reasonable and entered in accordance with law.

5. No interested party appeared at the hearing in this matter to object to the granting of the petition and neither the Division nor the Board received any written objections to the granting of the petition.

ORDER

IT IS THEREFORE ORDERED:

The Findings of Fact, Conclusions of Law, and Order in Docket No. 85-029, Cause No. 186-15, as found in Paragraph 31 are affirmed as the Board's Order in this matter.

ENTERED THIS 6th day of December, 1985.
